National Preparedness Month – September 2004

Stop by the State Capitol grounds on September 9 for special exhibits and activities that mark the official launch of National Preparedness Month.

Visit the exhibits from 11 a.m. to 3 p.m. Learn about volunteering opportunities and find out how you, your family and your community can be better prepared for emergencies. Displays include state agencies, Citizens Corps, volunteer agencies and other emergency preparedness partners. The Governor's opening remarks and news conference begin at 11:00.

For more information, contact the Missouri Office of Homeland Security at 573-522-3007.

To find volunteer opportunities in your community and learn more about how Citizen Corps is making communities safer, stronger and better prepared, see [CERT/Citizen Corps](#) page.

Hope to see you there.
